

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2414 - SB 2506

February 3, 2012

SUMMARY OF BILL: Requires the Comptroller's Office of Research and Education Accountability (OREA) to survey and study the AIDS prevention curricula adopted and implemented by local education agencies (LEAs) to determine if the curricula are in compliance with current state statutes. Requires OREA to report its findings, conclusions, and any recommendations for legislation to the Education Committees of the General Assembly by the second Tuesday in January 2013. Requires the Department of Health (DOH) to survey and study the AIDS prevention curricula adopted and implemented in LEAs in other states and to examine any Center for Disease Control guidelines for this type of curricula. Directs DOH to survey other state health departments' public outreach and education programs to determine if such programs are effective in the prevention of AIDS. Requires DOH to report its findings and conclusions to the Education Committees of the General Assembly by the second Tuesday in January 2013.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- OREA and DOH will perform their respective studies and will report to the Education Committees of the General Assembly with existing personnel without a reduction in other budget items. Any increase in state expenditures will be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
